

Team Building Activities

We created these team-building activities to inspire, motivate and strengthen corporate bonds.

Choose them for your events and improve the way teams interact and work together!

YOGA ON THE ROOFTOP TERRACE (MAX 25 PAX)

Here's a brilliant idea to strengthen the spirit in your company: a yoga session on a rooftop terrace at 1700 meters above sea level! Imagine your employees rejuvenating themselves with a breathtaking view. This experience not only invigorates the body and mind but also strengthens team bonds in a serene and inspiring environment.

VIA FERRATA WITH GUIDE (MAX 12 PAX)

For companies looking for adventurous activities, we offer climbing on Monte Generoso with experienced guides. This activity is perfect for developing trust and cooperation among team members while providing an unforgettable experience in the heart of nature.

Please note: a good physical fitness is required.

DISCOVERING HERBS

Surprise your employees with an educational walk among the herbs of Monte Generoso. This activity combines learning and relaxation, and is ideal for stimulating curiosity and teamwork, enriching the corporate experience with a touch of green.

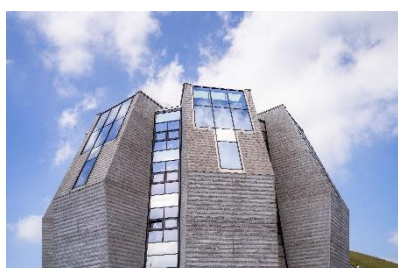

GUIDED TOUR OF THE NEVERE

This trail, rich in history and culture, is an excellent opportunity to immerse oneself in a fascinating and different environment. Combining exploration and learning, this hike not only enriches knowledge but also stimulates connection and dialogue among group members, creating a memorable and engaging experience for everyone.

FULL GUIDED TOUR: ARCHITECTURE, HISTORY AND ART AT MT. GENEROSO

Expand your staff's cultural experience and your own. The Monte Generoso full guided tour begins with the fascinating history of the Ferrovia Monte Generoso, a journey through the culture and evolution of the historic railroad from 1890 to the present. It continues with a guided tour of the Fiore di pietra, an architectural work by Mario Botta characterized by innovation, unique perspective and breathtaking views. After that, explore the serenity of the Chiesetta della Madonna della provvidenza, a place filled with history and spirituality. Finally, immerse yourself in art with an exclusive visit to the exhibition inside the Fiore di pietra, where the artist of the moment will reveal the secrets behind his artworks. This cultural journey is an enriching experience that combines architecture, history, and art, perfect for stimulating creativity and connection in your team!

DINNER WITH MURDER (MIN 40 PAX)

A murder mystery dinner combines the pleasantness of a dinner party with participation in a theatrical performance that takes place between the tables. You and your co-workers will be directly involved in the intriguing investigative reasoning. This is a fun and creative investigation. In addition, you will dine directly with the protagonists of the murder mystery!

DIGITAL DETOX

Promote a Digital Detox experience, perfect for strengthening interpersonal relationships and boosting teamwork. A day without distractions, surrounded by nature, can do wonders for employee cohesion and productivity!

“A FEW HOURS CHEESING” - WORKSHOP (MAX 25 PAX)

An original activity to share together to discover the secrets of the world of cheese-making, tasting a wide range of cheeses and a delicious lunch at Grotto Buffet Bellavista.
